From the Office

Season is almost over. Hope everyone has a safe trip home and a good summer.

Make sure all guest passes are turned back into the office.

Spare Keys

Arcadia Village staff living onsite will no longer have access to spare house keys after business hours (whether left at office for sales, or for any other specific reason). If you are locked out of your home after normal business hours, you will need to call a locksmith. Please do not knock on Arcadia Village staff homes after hours requesting access to your home.

We highly recommend (as an option to a costly locksmith call) that all residents find a trustworthy (year-round) neighbor and leave a key with them for these specific instances, or simply hide a key somewhere safe on their home with key-hiding accessories available locally at most hardware stores.

Referral Program Reminder:

Any potential sales referrals MUST be registered with the Arcadia Village office PRIOR to sales staff showing any homes to prospective buyers. Referrals will no longer be accepted after initial showings.

If you refer a QUALIFIED, APPROVED buyer that subsequently purchases a re-sale home listed with Arcadia Village, you will receive one (1) month rent credit toward your lot. If the referred buyer(s) purchase a NEW inventory model or orders a NEW custom home, the referral is increased to four (4) months rent credit toward your lot.

Any rent credits from referrals are applied on the 1st of the month immediately following the completed closing. Referrals are limited to one (1) per closing only.

If you have questions, please call the office.

Heading Home Reminder

Have a friend or neighbor periodically check your home

while you're gone to make sure doors and windows are locked, A/C or humidistat is operating correctly, and there is no water leaking anywhere. Better yet, think about shutting off the water to your home entirely. Then you have less to worry about while you're gone. Call the office for assistance if you need it.

Replace the light bulb in your planter light prior to leaving. This way it should last through the summer. A non-functional planter light lets people know you're not home.

Make sure you have returned all guest pool passes to the office.

The ropes across your driveway says "We're not home". A neighbor occasionally using your driveway is actually a good thing in that it signals someone may be home.

Make sure anything you're leaving in the RV storage area is clearly marked with the proper parking permit so we can contact you if necessary. Please update Kay in the office PRIOR to leaving for home. Also, make sure someone keeps the weeds down while you are gone.

Please have someone trim around your home once or twice a month when gone – anywhere the mowers cannot access. This keeps the park looking nice for those staying through the summer – and then we don't have to bug you while you're home enjoying your summer. It also gives the impression that the home is not vacant for the summer.

Stay safe and healthy – we'll see you when you return.

HOA Dues

I would like to thank all of the residents that have been very good about getting their dues to me in such a timely manner. We are almost there.

Now is the time to think about paying your 2018 HOA dues. I will be collecting the dues from January until the end of April per our bylaws. They remain at \$5.00 a year per home. You can pay me at any of the HOA meetings, if you see me when I walk, at my carry-in-dinners, or you can drop your payment off at my house. Just put the money in an old envelope with your name and lot number and place it in the basket at my back door, or now I have a stand marked for dues that has a slot to put the envelope in, which is more secure than the basket. Either way I will get a receipt to you when I walk.

Last Newsletter

As you know, all the snowbirds will be leaving soon so this will be the last newsletter until October 2018. With most everyone gone, there isn't much to report except how hot it is.

I hope you all have a great summer. Travel safe and we will see you in the fall/winter.

Thank You's

Thank you To Janette Brockway

Thank you to Janette and all your helpers for making the Chinese Auction tons of fun. This was my first Chinese Auction and I wasn't sure what to expect. When I walked in and saw all the "stuff" spread out all over the place, I wondered how you would ever get it all gone. I said I didn't need anything but still ended up spending \$50 on tickets. Great job Janette!!!! I was very impressed and can't wait until next year.

Thank you again.

CHINESE AUCTION
March 14, 2018
WRAP UP

First and foremost I want to THANK the committee for all of the tremendous work they volunteered for. There were concerns about making it all come together as planned and if we could get and have the extra volunteers that were needed to make it a great success. What was I worried about we had more volunteers then ever.

The committee came together at least once a week as we neared the final day and sometimes more, each and everyone showed how successful they were in getting donations, volunteers, set-up and take down. We could not have had a better committee. THANK YOU!!!!

As we met to go over all of the final results, we as a committee decided on the following:

\$603.00	To be used for further requests

As committee chairman and all committee volunteers we want to THANK the Arcadia Village Management, local and distant merchants, and especially all of the donations we received from the residents and committees of Arcadia Village. Without all of you this would not be a success, and we would not be able to honor all of the requests we received.

The most important part of The Chinese Auction are the residents that donated, purchased tickets and attended this function. What a great time was had by all and the committee hopes all of you received what you put tickets in the red solo cups for.

THANKS AGAIN FOR A VERY SUCCESSFUL YEAR!!!!

Please Continue Collecting These Items!

Thank you all! If you have any questions on any of this, please call or see me. Please use the basket for box tops located by my back door.

1. **Box tops:** You find these on all kinds of cereal boxes, cake boxes and many other items. I know here in the park that there are people that already save these for people, which is fine, however, if you have not been donating them, please consider donating to me.

2. **Clean plastic grocery bags:** These I take to the "Center for the Needy," so I need a lot of them. I really appreciate all of the bags that you drop off.

I ask that you do not tie the bags to my door or rail. Please make sure to secure the bags by tying up the bag so nothing blows out and stack them back between my utility room and the corn stalk plant.

GOLF COURSE NEWS

Please use courtesy! People are almost getting hit. Please wait until players clear before you hit. Slower players please let faster players play through. Look out for walkers and people riding around the lake. We don't want anyone hurt.

On holes #10, #17 and #18, players have hit into people's yards then driving their golf carts up in their yards to retrieve their ball. Park at the out of bound markers and walk to get your ball. Respect other folk's yards.

Congratulations to the person who won the 2019 membership at the Chinese Auction. Please contact me as I missed who won it. Mike Yeager 941-875-5073.

Thursdays is our maintenance day. You may be held up while holes are being cut, irrigation system is being repaired, etc. Please give the workers a break. Don't hit into them.

The back nine will be closed for a few days during the summer for some maintenance.

We are seeing that some people are placing bags with their dog droppings on top of, next to and in trash cans on the golf course. Please take it with you or at least put it in the trash cans. Remember, volunteers are the ones who are cleaning up after you.

HA! HA! HA!

A young man with a few hours to spare one afternoon figures that if he hurries and plays very fast, he can get in nine holes before he has to head home. As he is about to tee off, an old gentleman shuffles onto the tee and asks if he can join him. Although worried this will slow him up, the younger man says, "Of course."

To his surprise, the old man plays quickly. He doesn't hit the ball very far, but it goes straight. Furthermore, the old man moves along without wasting any time.

When they reach the 9th fairway, the young man is facing a tough shot. A large pine tree sits in front of his ball, directly between it and the green. After several minutes pondering how to hit the shot, the old man says, "You know, when I was your age, I'd hit the ball right over that tree."

With the challenge before him, the young man swings hard, hits the ball, watches it fly into the branches, rattle around, and land with a thud a foot from where it had started.

"Of course," says the old man, "when I was your age, that tree was only three feet tall."

Strolling 4 A Cure Golf Tournament

Once again I want to thank all the golfers who participated in the "Strolling 4 A Cure" golf tournament. Special thanks to Gary and Marla Wilkerson for their continued help and support, without them this would not happen.

We had great weather and lots of fun and raised \$3,835.00 to help those in Desoto and Hardee Counties with cancer related expenses.

We look forward to next year and being able to help more of the less fortunate in our own community. Also, special thanks to the teams that donated their winnings back and also those who generously more without being asked to. Also, to Sharon Lindsey for her \$200.00 donation which is used for our prize money. Thank you all so much!

Happy Easter Fun

One Easter a priest and a taxi driver both died and went to heaven. St. Peter was at the Pearly gates waiting for them.

'Come with me,' said St. Peter to the taxi driver.

The taxi driver did as he was told and followed St. Peter to a mansion. It had everything you could imagine from a bowling alley to an Olympic size pool.

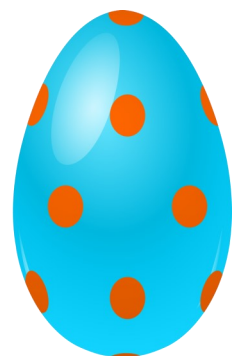

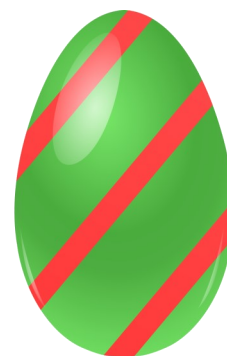

'Oh my word, thank you,' said the taxi driver.

Next, St. Peter led the priest to a rough old shack with a bunk bed and a little old television set.

'Wait, I think you are a little mixed up,' said the priest.

'Shouldn't I be the one who gets the mansion? After all I was a priest, went to church every day, and preached God's word.'

'Yes, that's true.' St Peter rejoined, 'But during your Easter sermons people slept. When the taxi driver drove, everyone prayed.'

Arcadia Cruisers

Treat Yourself to the Gift of Travel

As the season ends many are sadly heading North. Plans are underway for next year. Thinking about the Park Cruise? Consider signing up now. Teri at Castaway Cruises has all the latest prices and offers.

Our 9 night Southern Caribbean has a very interesting itinerary.

St. Kitts & Nevis

This twin island nation is bursting at the seams with charm. St. Kitts, the larger of the two, is best first explored on a open air train along the south coast.

Grenada

Grenada is short on bad views. No matter where you stand on the island, it is invariably green, moody and pulsing with plant life. A multitude of spices are grown and harvested here and are sold in colorful markets and directly from small farms along country roads.

Barbados

Barbados has something for everyone; Pink sand beaches, exotic wildlife: monkeys, sea turtles and eight species of bats, and sunset just begging to be enjoyed with a fresh cocktail.

Antigua

With a much touted 365 beaches to choose from, this former British colony still treats cricket near reli-

giously, and is known as one of the Caribbean's premier sailing spots.

CAN RECYCLING

When I first took over the recycling program Gene Barkley was doing it, he was ready to give it up and I volunteered to take it over.

When I took it over Tom Wysocki approached me and asked if he could volunteer and help, well of course I was glad to have him help until his health would no longer let him volunteer, it is a job for more than one person.

Over the years Don Rasmussen was always available to help with the monthly collecting and when I needed help during the month when someone needed to have something go to recycling.

As time went on Kim and Chuck Herman started volunteering and it was their idea to pick up the cans and leave them at the end of the streets using their own golf cart and what a great idea that was, and then Tom Homan and Jay Cramer started and what a great help all of them have been, Tom and Jay would collect and leave at the end of the streets in their neighborhoods and Don and I would go along and collect from all areas.

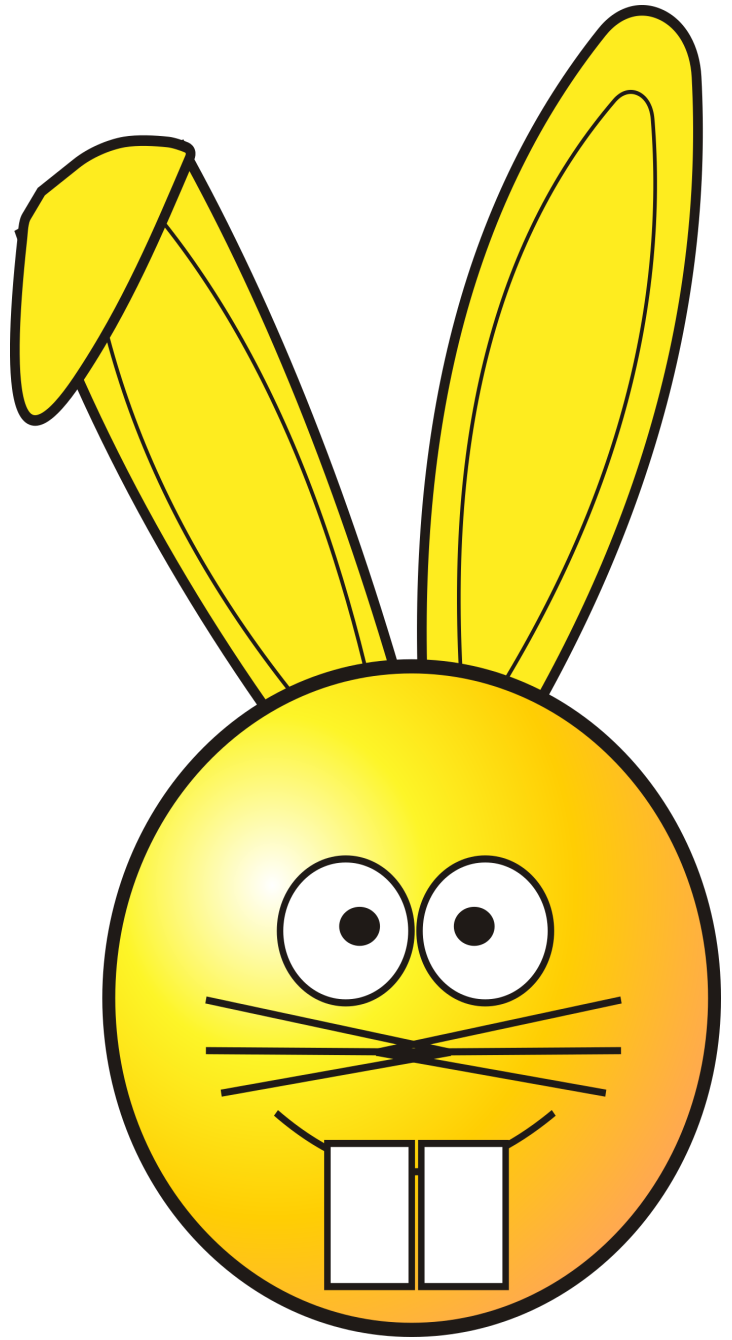

Of course I can't forget George DeWitt who always took care of all of the cans that were collected at the club-houses and made sure they got on the trailer to go to the recycling center.

This program would not have been a success without all of their help and to anyone else I have not mentioned. Can pick-up was held on March 28, and I want to THANK ALL THE RESIDENTS OF ARCADIA VILLAGE for your support, I have enjoyed doing this over the years for you and making sure all donations were turned over to the HOA Board for the liability insurance.

I cannot and I will not support the current board President Norman Scott, therefore the month of March was my last pick-up for the recycling can and metal program.

Again, I want to thank all of you.
