From the Office

Season is almost over. Hope everyone has a safe trip home and a good summer.

Make sure all guest passes are turned back into the office.

Spare Keys

Arcadia Village staff living onsite will no longer have access to spare house keys after business hours (whether left at office for sales, or for any other specific reason). If you are locked out of your home after normal business hours, you will need to call a locksmith. Please do not knock on Arcadia Village staff homes after hours requesting access to your home.

We highly recommend (as an option to a costly locksmith call) that all residents find a trustworthy (year-round) neighbor and leave a key with them for these specific instances, or simply hide a key somewhere safe on their home with key-hiding accessories available locally at most hardware stores.

Referral Program Reminder:

Any potential sales referrals MUST be registered with the Arcadia Village office PRIOR to sales staff showing any homes to prospective buyers. Referrals will no longer be accepted after initial showings.

If you refer a QUALIFIED, APPROVED buyer that subsequently purchases a re-sale home listed with Arcadia Village, you will receive one (1) month rent credit toward your lot. If the referred buyer(s) purchase a NEW inventory model or orders a NEW custom home, the referral is increased to four (4) months rent credit toward your lot.

Any rent credits from referrals are applied on the 1st of the month immediately following the completed closing. Referrals are limited to one (1) per closing only.

If you have questions, please call the office.

Heading Home Reminder

Have a friend or neighbor periodically check your home

while you're gone to make sure doors and windows are locked, A/C or humidistat is operating correctly, and there is no water leaking anywhere. Better yet, think about shutting off the water to your home entirely. Then you have less to worry about while you're gone. Call the office for assistance if you need it.

Replace the light bulb in your planter light prior to leaving. This way it should last through the summer. A non-functional planter light lets people know you're not home.

Make sure you have returned all guest pool passes to the office.

The ropes across your driveway says "We're not home". A neighbor occasionally using your driveway is actually a good thing in that it signals someone may be home.

Make sure anything you're leaving in the RV storage area is clearly marked with the proper parking permit so we can contact you if necessary. Please update Kay in the office PRIOR to leaving for home. Also, make sure someone keeps the weeds down while you are gone.

Please have someone trim around your home once or twice a month when gone – anywhere the mowers cannot access. This keeps the park looking nice for those staying through the summer – and then we don't have to bug you while you're home enjoying your summer. It also gives the impression that the home is not vacant for the summer.

Stay safe and healthy – we'll see you when you return.

Thank You To The Freeman's

A special thanks to the Freeman family for a donation to a charity that Sandie would like. I thought she would like to give the donation to Vicky and the cancer society that helps local people with cancer.

Thank you,
Charlie Wikstrom, 541 Barcelona,
863-494-1419

Thank You From Charlie Wikstrom

To start, I want to thank all the people that sent me cards. They are beautiful and I did not know how many people Sandie touched here in the park. I also want to thank all the people that took the time to stop while taking their walk, driving their carts, and generally anywhere in the park and shake my hand or gave me a BIG HUG. It showed me how much Sandie was loved here. I want to thank Wendy Carter and all the ladies that prepared the food for Sandie's memorial service. You ladies do such a great job.

Thank you Bob Harrington for doing the service for me and most of all for Sandie.

Thank you one and all for attending the memorial. It shows the love that we have for one another. This is a great place to live. May God bless you all.

Newsletter Distribution

My first experience after volunteering to distribute the newsletters was hectic. I was in a panic when Ellen had her accident and I didn't know how I'd get all those newsletters delivered, but you folks stepped up and came to my rescue! A great big "Thank You" to: Sharon S, Sandy & Bob S, Jennie & Frank B, Patti H, and Deb A. And to the others who also made offers to help in the future. Not to mention the regular distributors. Thanks!
Sincerely,

Ken Yount, 708 El Presidente, 863-444-3350

Do You Like To Party?

As you may or may not know, Charlene Way has lead the way in putting together the New Year's Eve bash and the Valentine's Day Dinner the last couple of years and did a tremendous job. Unfortunately, she has decided to move out of the village and can no longer organize these functions. Are you the one to step up and take over these functions?

Talent Show

February 16, 2019

Cantina Clubhouse

We have alot of talented people here so lets get together and put on a good show. We need singers, piano players, comedians, dancers, any kind of instrument, etc. So during the summer, practice your talent. Our first get together will be in October. But if you are not here dont worry just let me know what you will be doing. We will have another rehearsal in November. Get your friends together and put on a comedy skit. This is your show so as they say, ANYTHING GOES. Have a great and safe summer.

Save Can Tabs

Please save your can tabs for Ronald McDonald house. They can be dropped off at 410 Barcelona. Last spring we dropped off 30# or about 48,000 tabs. McDonald's was so appreciative. Let's surpass that this year. Thanks to all who contributed. Tabs can be left on the porch if we are not home.

DINING WITH FRIENDS

Our first dining out experience is June 6 at CASS CAY Restaurant and Bar located in Burnt Store Marina in Punta Gorda. Reservations are for 5:00 pm. The sign up sheet will be posted in the Cantina. Since the 4th of July is the first Wednesday in July we will be dining on July 11 at Cowpoke's Watering Hole in Sebring. All other dining dates will be the first Wednesday of the month. In case of inclement weather the reservations will be cancelled and I will call everyone to let them know. These are all separate checks and you are responsible for your own transportation. We have had a good response the last two years so please let any new neighbors know about our get together. Check the Cantina for the new sign up sheets.

Thank you,

Pam Wood, 52 Casa Grande Dr., 248-912-8010

Arcadia Cruisers

Treat Yourself to the Gift of Travel

As the season ends many are sadly heading North. Plans are underway for next year. Thinking about the Park Cruise? Consider signing up now. Teri at Castaway Cruises has all the latest prices and offers.

Our 9 night Southern Caribbean has a very interesting itinerary.

St. Kitts & Nevis

This twin island nation is busting at the seams with charm. St. Kitts, the larger of the two, is best first explored on an open air train along the south coast.

Grenada

Grenada is short on bad views. No matter where you stand on the island, it is invariably green, moody and pulsing with plant life. A multitude of spices are grown and harvested here and are sold in colorful markets and directly from small farms along country roads.

Barbados

Barbados has something for everyone; Pink sand beaches, exotic wildlife: monkeys, sea turtles and eight species of bats, and sunset just begging to be enjoyed with a fresh cocktail.

Antigua

With a much touted 365 beaches to choose from, this former British colony still treats cricket near religiously, and is known as one of the Caribbean's premier sailing spots.

To those heading North, have a safe trip and great summer. See you in the Fall.

Please Continue Collecting These Items!

Thank you all! If you have any questions on any of this, please call or see me. Please use the basket for box tops located by my back door.

1. **Box tops:** You find these on all kinds of cereal boxes, cake boxes and many other items. I know here in the park that there are people that already save these for people, which is fine, however, if you have not been donating them, please consider donating to me.

2. **Clean plastic grocery bags:** These I take to the "Center for the Needy," so I need a lot of them. I really appreciate all of the bags that you drop off.

I ask that you do not tie the bags to my door or rail. Please make sure to secure the bags by tying up the bag so nothing blows out and stack them back between my utility room and the corn stalk plant.
