## HOA DUES

Okay all of you HOA members, it is now time to think about paying your 2019 HOA dues. I will start collecting the dues at the HOA meeting on February 5th. The dues will be \$10.00 a year per home. You can pay me at the HOA meetings, if you see me when I walk, at my carry-in-dinners, or you can drop your payment off at my house. Just put the money in an old envelope with your name and lot number and place it in the BASKET AT MY BACK DOOR, or now I have a stand marked for dues that has a slot to put the envelope in, which is more secure than the basket. Either way I will get a receipt to you when I walk.

## A SPECIAL "THANK YOU" TO THE DEPARTING HOA BOARD

The new HOA Board wants to express a Special "Thank You" to Tom Homan, former 2<sup>nd</sup> Vice President; Deb Allen former Secretary; Pam Wood former Board Member. Their years of service on the Board have been from one to several; their years serving on various committees, immeasurable; and the hours spent completing their duties, incomprehensible. We have been very fortunate to have such leaders serving our community, volunteering their time to maintain and improve this Association. Fortunately, these people remain in our community and have made themselves available to us, giving us guidance when and where we need it. When you see these people out and about be sure to express a "thank you" to them as this community would not be as prosperous as it is now without them.

Again, THANK YOU

Norm, David, Vic, Cathy, Greg, Jay, Kevin, Lynda, Don and Gary

## SUPPORT THE RIDE FOR TINY TOWN

Ride for Tiny Town is a bicycling fundraising event on Saturday, February 9, 2019 to raise money to build DeSoto Cares Homeless Services Village of Small Homes. It is not a drop in shelter—clients will have to apply for a home, and may stay there up to 2 years—but must complete steps on a regular basis toward gaining independence and a home of their own. Learn more about DeSoto Cares Homeless Services: <http://www.desotocareshomeless.com/news.html>.

There will be 15, 30 and 60 mile routes. Volunteer to help out at the event, register to ride—join my team—Gypsy Girl and Guy Rides—or create your own team.

To make a donation to DeSoto Cares go to: <https://www.crowdrise.com/ridefortinytown>.

Want to get in some practice riding? Meet up at Winn-Dixie parking lot at 7:45 a.m. Sunday mornings.

## ORANJESTAD, ARUBA

Welcome to Aruba—or as the locals say, Bon bini. Here Dutch traditions mix with island charm. The capital and port town of Oranjestad, is best known for its colorful Dutch Colonial “gingerbread” houses painted in bright Caribbean hues. While Aruba is only 20 miles from tip to tip, it is packed with incredible contrasts. Cruise to Aruba and go from relaxing in a tropical paradise to trekking rugged desert in no time. The southern coast is one giant photo op—a bustling port town surrounded by powdery white beaches and crystal-clear aquamarine waters. To the north, waves crash onto a rocky coast, scattered with cliffs, cacti and divi-divi trees. Best of all, you don’t have to choose which spots to hit—just which to hit first.

## KRALENDIJK, BONAIRE

It’s always sunny in Bonaire, where the days last nearly twelve hours and the adventure never ends. The countless coral reefs surrounding its shores are home to more than 400 species of marine life, earning it the nickname “Diver’s Paradise.” But for some of the best snorkeling, head to the islet of Klein Bonaire. Or hop on a glass-bottomed gondola for prime undersea views—no swimming required. Cruise to Bonaire and do some onshore exploring at Washington Slagball National Park., which covers a fifth of the island. With its dramatic desert landscape, mangrove lagoons, famous pink flamingos and unrivaled dive spots, Bonaire offers endless outdoor adventures—along with a healthy dose of colonial charm.

## WILLEMSTAD, CURACAO

Curacao is a treasure trove of cultural attractions, rich history, and natural scenery—from desert landscapes and rugged cliffs to 38 spectacular, and mostly secluded, beaches. Sint Anna Bay separates the two sides of the capital of Willemstad. Punda, the original settlement, is a tidy grid filled with shops and unique markets, restaurants and open-air cafes. Not to mention the famous tropicalized Dutch architecture in vibrant hues. Otroban-

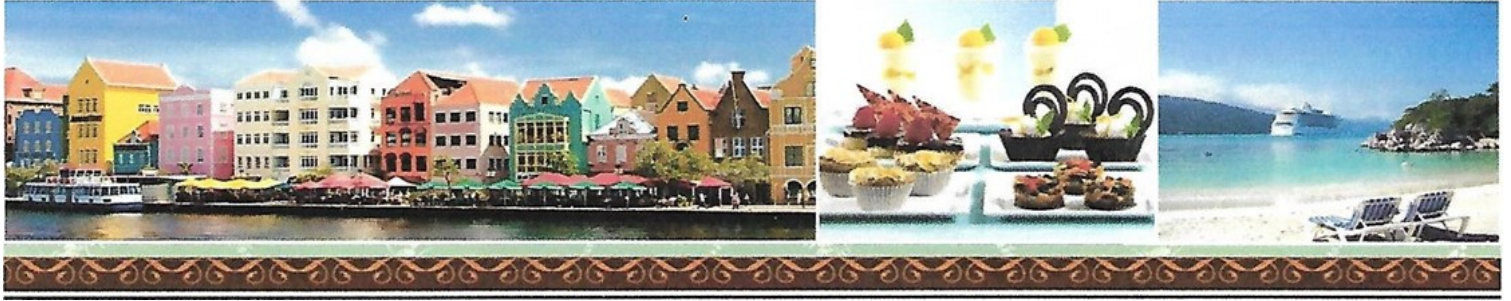

da (literally, “the other side”) is a maze of narrow streets and even narrower alleyways. And at only 40 miles long, a wide variety of island adventures are within easy reach during your Curacao cruise.

## “SUNSET THERAPY”

CANTINA CLUBHOUSE  
\$20. PER PERSON, INCLUDES ALL SUPPLIES

We are excited to be doing a couples paint class, which consists of two 11x14” canvasses that will make one beautiful “Moonlight Magic” painting! This class will be Friday afternoon Feb. 15<sup>th</sup> from 2 – 4 pm and is only \$35 a couple. A great way to build a fun memory with your special someone. You do not need to be a painter to have fun! For anyone who will be painting by themselves I will adjust the size to get the complete picture on one single canvas available for \$20 each.

On Wed. Feb. 27<sup>th</sup> we will paint the “Sunset Therapy” picture.

These events are for Arcadia Village residents and their guests. You can attend as many or few events as you choose. This is entertainment and we will do a different painting each time. You do NOT need painting experience or to be creative to join in the fun to paint in this class.

The cost includes everything you need - easels, paint, canvas, aprons, brushes, table covers, napkins and step by step instructions to create your own masterpiece. Acrylic paint is quick drying, so you can take your painting home at the end of the class. We do all the setup, cleaning, and tear down. All you will need to do is sign up, show up, and bring your favorite beverage.

Please register on the sign-up sheets located at the Cantina or Siesta Club houses, email to [clange719@gmail.com](mailto:clange719@gmail.com); by sending a text to 616-520-1456, or you can stop at #80 Siesta.

Registering in advance insures we will have enough set ups for each painter when you arrive. However, we will carry a few extras for those last-minute change of plans or guests that were not able to register ahead of time. Arrive a few minutes early so we can start on time, and you can get your seats by your friends. You can pay at the door, and we are looking forward to painting with you soon!

## A HAPPY BIRTHDAY WISH FOR 2019

You are not just getting older, but you are getting better too. I'm sure you have gained a lot of wisdom on the way, including your talents and your strengths. And you have a special style and grace. You've also learned limitations are OK. You have tried to nurture all the relationships that mean the most to you. You have cared and shared with family and friends. You find the peace that comes with taking one day at a time, and are accepting life's challenges very well. And now when it's your birthday and you start another year, I'm hoping that you'll discover even more, and hoping each day will be filled with life's treasures and all the joy that you deserve. May your life become richer than before. Happy Birthday and many more!

Your phone calls and short visits are always appreciated.

## **GUIDELINES FOR SCHEDULING THE QUILT ROOM**

If you would like to use the Quilt Room for your meeting there are guidelines to follow. We have many people using this room at different times.

To prevent two groups from trying to use this room at the same time you need to reserve it. This has happened a few times. This procedure has been in place for the last few years. Apparently not everyone knows about it.

I'm the person you need to call to reserve the room for your meeting. I will check the calendar and schedule a time for you. There will be a calendar posted on the door each month showing when the room is occupied.

To reserve this room or any questions please call:

Rose Kane, 782 Monterey, 585-330-2099

Maturity is when you have the power to destroy someone who did you wrong but you just breathe, walk away and let life take care of them.

## **INTRODUCTION TO PICKLEBALL**

Interested in learning the game of Pickleball? Contact either Becca Hodges or Pat Homan. They, or someone else, will get with you and show you how the game is played, including proper etiquette and safety. A time can be worked out that fits your schedule.

## What was that for?

Abe and Esther are flying to Australia for a two-week vacation to celebrate their 40th anniversary. Suddenly, over the public address system, the Captain announces, "Ladies and Gentlemen, I am afraid I have some very bad news. Our engines have ceased functioning and we will attempt an emergency landing. Luckily, I see an uncharted island below us and we should be able to land on the beach. However, the odds are that we may never be rescued and will have to live on the island for the rest of our lives!"

Thanks to the skill of the flight crew, the plane lands safely on the island. An hour later Abe turns to his wife and asks,

"Esther, did we pay our \$5,000 PBS pledge check yet?"

"No, sweetheart," she responds.

Abe, still shaken from the crash landing, then asks,

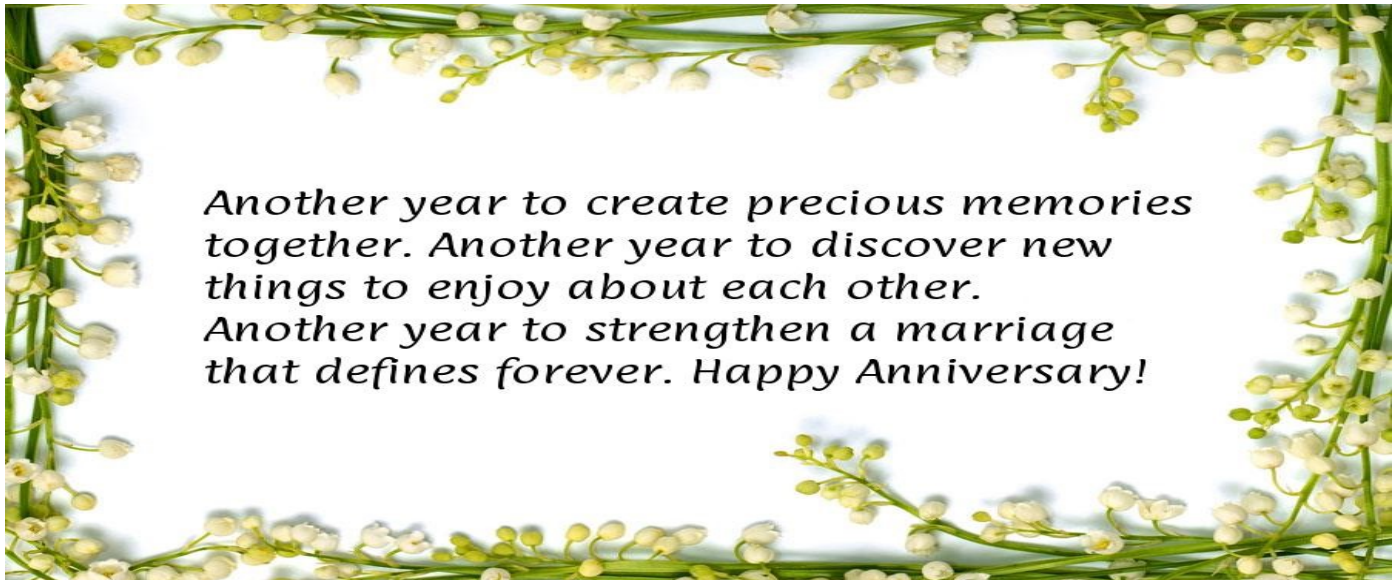

"Esther, did we pay our American Express card yet?"

"Oh, no! I'm sorry. I forgot to send the check," she says.

"One last thing, Esther. Did you remember to send checks for the Visa and MasterCard this month?" he asks.

"Oy, forgive me, Abie," begged Esther. "I didn't send that one, either."

Abe grabs her and gives her the biggest kiss in 40 years. Esther pulls away and asks him, "What was that for?" Abe answers, "They'll find us!"

If you have an anniversary this month and are not listed here, please let me know so I can add you to my list of those who were blissfully wed this month.

## GOLF HUMOR

A man and his wife are playing the 5th hole at their club when he slices his drive so far to the right it rolls into an equipment barn. He finds the ball and plans to take a drop when she says, "Let me go down to the other end of the barn and hold the door open. Then you can hit your ball through the door and back to the fairway."

He thinks this is a good idea, so she holds the door. He takes a big swing, but rather than flying through the door, the ball hits her in the head and kills her.

A year later, the same man and his new bride are playing the same hole when he again slices the ball into the shed. He finds it and plans to take an unplayable lie when she says, "Let me go down to the other end of the barn and hold the door open. Then you can hit your ball through the door and back to the fairway."

He looks at her, shakes his head, and explains, "No way. The last time I tried that, I took a triple bogey on this hole!"

## GOLF NEWS

**Coming Soon:** [arcadiavillage.org](http://arcadiavillage.org). You will be able to see the current golf course news, golf course closings, league pairings and scores.

Please display your orange tags on your bag or cart so they can easily be seen. We are patrolling the course for non-members playing.

The 15th hole now has a cart path down the right side. Because of the shade, we are having a problem getting grass to grow on this fairway. We will be doing the same on #12.

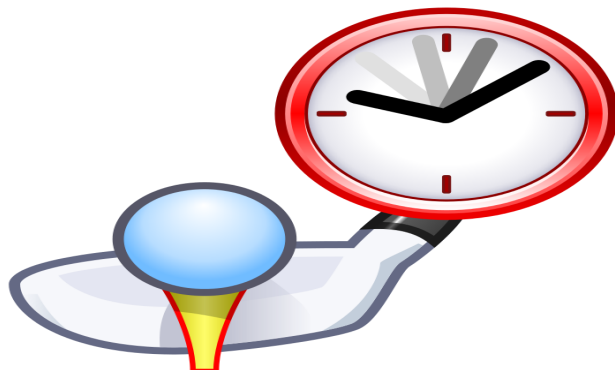

Keep carts at least 10 feet away from all greens.

Please have courtesy for our workers. Thursday is their work day. They will be working on the golf course all day. Don't try to schedule large groups on Thursdays. If they are mowing a green, tee or fairway, wait until they are done.

#1 tees. There will be gold tees where the red tees are now. Gold tees are still 75 years old and over.

We're finding cigarette butts on the course. Please take them with you.

Mike Yeager, Golf Course Commission, 538 Barcelona, 941-875-5073
