## FROM THE OFFICE

Have a nice Easter.

Remember to return pool passes to the office.

Children driving golf carts must be of age to have a drivers license.

## HEADING HOME REMINDER

Have a friend or neighbor periodically check your home while you're gone to make sure doors and windows are locked, A/C or humidistat is operating correctly, and there is no water leaking anywhere. Better yet, think about shutting off the water to your home entirely. Then you have less to worry about while you're gone. Call the office for assistance if you need it.

Replace the light bulb in your planter light prior to leaving. This way it should last through the summer. A non-functional planter light lets people know you're not home.

Make sure you have returned all guest pool passes to the office.

The ropes across your driveway says "We're not home". A neighbor occasionally using your driveway is actually a good thing in that it signals someone may be home.

Make sure anything you're leaving in the RV storage area is clearly marked with the proper parking permit so we can contact you if necessary. Please update Kay in the office PRIOR to leaving for home. Also, make sure someone keeps the weeds down while you are gone.

Please have someone trim around your home once or twice a month when gone – anywhere the mowers cannot access. This keeps the park looking nice for those staying through the summer – and then we don't have to bug you while you're home enjoying your summer. It also gives the impression that the home is not vacant for the summer.

Stay safe and healthy – we'll see you when you return.

## HOA DUES

I would like to thank 130 of the residents that either paid their 2019 due at the March HOA meeting or dropped it off at my house or when they saw me walking.

For the rest of the residents, it's time to pay your 2019 HOA dues. I will be collecting dues at the HOA meeting April 2nd. The dues are \$10 a year per household. You can pay me at the HOA meeting or when you see me walking, at the Carry-In Dinners, or you can drop your payment off at my house. Just put the money in an old envelope with your name and lot number and place it in the basket at my back door, or now I have a stand marked for dues that has a slot to put the envelope in, which is more secure than the basket. Either way I will get a receipt to you when I walk.

Ellen Davis, 111 Siesta, 863-494-0273

## THANK YOU FROM JOHNNY B. GOOD

Rhonda & Myself would like to say Thank You to all the nice folk's who came out & supported our Monday nite monthly Karaoke. It is a success because of all of you! Also, a Grand Shout out of thanks to Linda Scott & Cindy Brooks for the Spot On ad & all correct dates on calendar in the Villager. Thank Kathy Savard and her helpers for covering the door.

We hope everyone has a safe & healthy summer & look forward to seeing you in November when we get back. Thanks Much from Johnny B. Good & Rhonda

John & Rhonda Beadling, 199 Valencia, 814-599-2000

## WALKING AT NIGHT

When walking at dusk or later, please use a flashlight.

If possible, when walking your dog after dark have a light on their collar/harness. If you don't have one, then shine your flashlight on them as you walk. Also, reel in and lock extending leashes so your dog can't walk into the street.

Cars and golf carts can't see you until the last second. I've personally witnessed several close calls.

Please make yourself stand out to keep out of harm's way. Let's not have a tragedy.

We all know the speed limit of 15mph/24kph seems to be out of reach for some. Making yourself noticeable will, at least, give drivers pause.

Drivers, please remember pedestrians, bicycles and golf carts have right of way.

Thank you.

Angie Mazzella, 136 Siesta

## EL CONQUISTADOR BLOCK PARTY

A huge thank you from both the Milliman's and the Patrus' for everyone that came to our block party. Everyone had a great time with amazing food. The weather was perfect with great people. Congratulations to the corn hole champions, Dory Peterson and Bill Passalacqua!

A special thank you to all who assisted to ensure our block party was a great success.

## NOTICE REMOVALS

PLEASE DO NOT REMOVE notices from the bulletin boards unless they are not dated. They stay on the boards for 30 days and then need a new date posted. Thank you.

## COLLECTING PLASTIC BAGS

CLEAN PLASTIC GROCERY BAGS: These I take to the "Center for the Needy," so I need a lot of them. I really appreciate all of the bags that you drop off.

PLEASE PUT THE BAGS INTO A LARGER BAG AND TIE THE BAG SHUT. Please! I ask that you do not tie the bags to my door or rail. Stack them back between my utility room and the corn stalk plant

Thank you all! If you have any questions please call or see me.

## 2nd ANNUAL AV GOLF CLINIC

As the 2nd Annual AVCC Golf Clinic has come to a conclusion, I would like to thank all of the participants for their generosity and gratitude. It was also pleasing to me, when some of you shared stories of your improvement and a new found pleasure in playing the game.

Once again, thank you and don't be afraid to use our new practice area.

Bruce May, 130 Buena Vista. 941-249-3120

## THANK YOU

The shuffleboard players would all like to thank the Chinese Auction committee for the donation of \$834.90. This donation was used to purchase 12 sets of new pucks. The current pucks have been in use 15 or more years. Again, thank you Chinese Auction!!

## SAVE CAN TABS

Thanks to all who saved pop and beer tabs. We brought in 38 lbs or over 54,000 tabs to McDonald's House this spring. Let's make it 40 lbs this season. You can drop them off anytime at my house.

Thanks,

## GOLF COURSE NEWS

We are having some basic rules of golf not being adhered to.

After playing #14, you must play #15 before going back to play #16 blue tees. A mower was hit while mowing the #16 tee. It could have just as easily hit the man on it.

Workers were on #6 green working and players teed off.

It is your responsibility to contact the owner of any house you hit with your ball.

Evidently some of you don't know the damage that can be done. These are examples of what is going on. A golf ball traveling at over 100 mph, can cause damage or death. Please use some common sense while hitting your ball.

We had another case where someone appeared next to the #14 green just as a player was ready to hit from the tee. Please do not take the path leading to the #14 green. Any walkers or riders must stay on the walking and cart paths.

### **Anyone not golfing is not allowed on the golf course. It can be very dangerous.**

The Golf Commission would like to thank the Chinese Auction for their generous donation. It will help us purchase some much needed items for the golf course.

During this summer we have many projects going on. Sod will be laid on tee boxes we will be doing some aeration. If you can help, please contact Dick Strohmeyer, 529 Cantina, 863-243-9637.

Mike Yeager, Golf Course Commission, 538 Barcelona, 941-875-5073

## **LIONS, TIGERS and BEARS**

Friends and neighbors, We have a fabulous destination right here in Arcadia! If you have friends and/ or family coming to visit, consider taking them to see the variety of animals here in Arcadia at Lions, Tigers and Bears! There are many more animals to see there too. It is located right off Route 17 on the way to Wauchula. Take the road at the stockyard and follow the signs. Volunteers are available to take groups and individuals around the facility to see and teach about these marvelous creatures. LTB will be featuring "Hot Dog Days" on March 23, and April 19 and 20.

Won't you consider a visit, a donation of paper towels, napkins or large black plastic bags or a financial contribution (fully tax deductible)? Volunteers are always needed. Any donation of time, money or product is greatly appreciated. Your donations may be dropped off at LTB or at #638 Wendy Carter or #708 Susie Mullens.

Wendy Carter, 638 El Presidente, 863-494-0739

## *Cyndy's Sip and Paint*

April 10th will be our last Sip and Paint! I have not had a chance to paint the picture for this class to make the newspaper. I will have the picture posted in the Siesta and Cantina Clubhouse with the signup sheets. I will also post it on AV Facebook page. I apologize for not having it ready, but this has been a very busy month. LOL!

I would like to thank everyone who has attended my Sip and Paint Classes this winter. The participation was overwhelming! I had such a great time getting to know so many new friends! Dave and I will be heading back to Michigan in May for the summer. We are also looking forward to coming back next winter and will do more Classes. We will have some new ideas and items to paint for next season. I can't wait!

Thanks again for such a great Winter of painting, laughing, making new friends and getting creative!

Cyndy & Dave Lange, 80 Siesta

## Strollin 4 A Cure Report

We had a very successful golf tournament this year for a great cause. Last year we had 88 golfers participate and this year it blossomed to 108! Thank you to all who golfed and those who purchased signs to be placed on the course. We truly appreciate it.

As of today we have raised \$3,670.00 for Strollin and that total includes \$270.00 donated by the USA Day committee. I also want to thank Gary and Marla Wilkerson, without them the golf tournament would not happen. It takes a team to pull it off and we make a great team.

Look out next year it will be our 10th year! We are currently helping a family from Arcadia with a 24 year old daughter who is in Sarasota ICU with a brain tumor. The father is on disability and the mother is staying in Sarasota. Also, they had to make a decision to either make their house payment or stay with their daughter in a motel, so Strollin 4 A Cure is helping with motel expense so they can be near their daughter. It's what we do to help those in need with cancer related expense! So Thank You from the bottom of my heart for your support. 100% of funds raised stay here in DeSoto and Hardee counties.
