1ST - Turn Clocks BACK 1-HOUR

26th – Thanksgiving Day, annual national holiday in the United States and

Canada celebrating the harvest and blessings of the past year.

(No Trash Pickup Thursday 11/26)

## WELCOME

As residents return to Arcadia Village for the season, we highly encourage you to read the notices and guidelines posted at amenities, clubhouses, and bulletin boards and in the newsletter to stay up to date on what amenities are open or active levels.

COVID-19 is mostly **spread** by respiratory droplets released when people cough, sneeze, or talk. Someone can also get COVID-19 by touching a surface or object that has the virus on it and then touching their own nose, mouth, or possibly their eyes. COVID-19 may be spread by people who are not showing symptoms. Therefore, personal prevention practices (such as frequent **hand washing**, social distancing, and **staying home when sick**) and environmental **cleaning and disinfection**, as well as use of masks are important principles. (From the CDC Website)

### **RULES AND REGULATIONS:**

**Chapter 8 – Mobile Home Maintenance:** All mobile homes must be kept clean, free from mold and mildew, and free from excessive dirt build-up and/or related unsightly residue. Prior to any exterior painting of a home, color samples must be submitted to management for written approval.

**Chapter 12 – Lawn Planter and related Landscape Maintenance:** It shall be the responsibility of the owners of Arcadia Village to provide regular lawn mowing service for your lot. However, it shall be the resident's responsibility to fertilize, water, trim, edge, weed, and otherwise maintain their lawn and other landscaping amenities on their lot. "Hand watering" only is permitted during reasonable daylight hours listed in the Village paper. Sprinklers are only allowed after receiving written approval from management. It shall be the further responsibility of each resident to maintain all other property of Arcadia Village which is affixed to their lot in the same condition outlined above.

This includes your RV Storage space if applicable.

During off season, I am tasked with inspections which means driving around to find any homes that the weeds are over grown either around the house or in planters and houses that need to be power washed. I then call home owner to make them aware. Remember it's your responsibility to have a designated person or company that will maintain your home while you are away from Arcadia Village for any length of time. I do put reminders in the newsletter for you toward the end of season. If you do not answer my phone call, return my phone call, or otherwise make me aware you are taking care of it, the office will have it taken care of and charge you the cost of cleaning up your home.

Con't page 4

## **FROM THE OFFICE CON’T**

All this is to help keep up the value of your homes in the village and to keep the village beautiful for all residents and visitors alike.

After November 3<sup>rd</sup>. We would request that all residents’ political signs be removed out of courtesy to one another for continued peaceful enjoyment of the community.

### **REMINDERS:**

**Rent Checks:** (and miscellaneous paperwork for the office) put into the black mailbox at the front (west) door to the right of the steps. This box is for Office In-Coming mail only – DO NOT PUT OUTGOING MAIL HERE

**Sales:** We encourage you to make an appointment. You can call the office at (863) 494-5669 or Ted at (863) 266-8729

**Other Office Matters:** Please call to make an appointment.

All visits to the office require a mask and that you stand back the 6’ from the desk as shown on the floor markings.

**TRASH** – New regulations from the Desoto Landfill Waste Department: All Trash must be bagged, including trash in a container with a lid **must be bagged**. Please do not fill a bag so full the trash collectors cannot lift it to put into the truck. We do not want to get anyone injured.

Large items, old flooring, appliances, electronics, (not a complete list) cannot be put out for trash pickup. You, or your contractor(s) are responsible for getting these item(s) to the landfill. You can find the Holiday Trash pickup Schedule at the Post Office Bulletin Board.

**WATER TURN ON/OFF** – Requests to TURN-ON/OFF water need be during business hours, Monday through Friday (8:00AM thru 3:00PM) **and** you must have an authorized representative (or be there yourself) at the house at the time water is turned on, when requesting off, make sure you have shut down water sources including the Water Heater.

**RENT LETTERS** went out the end of September. If you need an additional copy, please contact the office.

**Park Inspections** are done every few months to check the status of the properties in the park. When a home shows the need for some attention, whether it is weeds in a planter, or power washing parts or all of the home or shed, the office will make a courtesy call to the home owner first to inform them. If the number does not work or I do not receive a voicemail to leave a message then I will send out a post card to inform the home owner. Overall, we would like to greatly thank the vast majority of homes for their continued maintenance efforts.

As a reminder, please take a walk around the perimeter of your home occasionally and look for things to be addressed, like animals digging, or skirting issues weeds or house washing.

If you have a homebound neighbor, or a neighbor that hasn't arrived yet, please consider walking their home and notifying them to help them.

Thank you! Office Management.

## **BROADWAY PALM SHOWS**

### **"Holiday Inn" at the Broadway Palm**

I'm now accepting payment for tickets to see Irving Berlin's Holiday Inn at the Broadway Palm Dinner Theatre on Sat. Nov. 28. The meal is served at 11:30 and the show begins at 1:00. The group pricing is \$59 per person and includes soup, salad, choice of three entrees, dessert, beverages, gratuities and a first class show! Payment deadline is Nov. 11. Bring cash or check to my home, 490 International, or call 863-494-3762 and I will pick it up.

Please do not delay if you want to go! I had to cancel the show in October because there were not enough people going to meet the minimum for the group. With snowbirds returning, we should have enough but I need to know for sure by Nov. 11.

The Broadway Palm has implemented every precaution to protect against the corona virus. You can read their policies on their website [broadwaypalm.com](http://broadwaypalm.com) or call them at 239-278-4422 for information. They are located at 1380 Colonial Blvd, Ft Myers, FL 33907. Transportation is on your own but you can carpool with your friends.

If you have questions, call me at 863-494-3762.

Residents;

Many of our northern friends have started returning and can begin enjoying the 80\* weather. Rainy season is now behind us. More and more of our amenities are opening up but here in the village, we will continue to social distance and follow the DOH guidelines on the golf course. If riding in a golf cart with a friend, we require masks to be worn or you can ride single.

The new golf rates for 2021 have been established as follows:

\$575.00 / home @ 2 persons (homeowners only)

\$900.00/ home @ 2 Renters (New for 2021)

Keep in mind that the current rate of \$500.00 has been held for the past 2 years and also includes the 7% sales tax.

Please see any of the commissioners who are posted in the clubhouse, to purchase your 2021 membership. Bag tags need to be placed on your golf bag by Jan 1, 2021. All commissioners are also selling raffle tickets for a free membership. Tickets are 3 for \$5.00 and the drawing will be held on Saturday December 5th.

The new tee boxes have been opened and several tee markers have been moved. We will have 5 sets of Pink tees for the ladies over 75. Also, If you have been issued a Handicap label (Severely Handicap) You must still apply a 90 Deg rule to the fairways when playing golf. You cannot just drive down the middle of the fairways. Looks like all the leagues are scheduled to begin the week of Nov 16th and sign-up sheets are posted in the clubhouse.

## MEN'S 3 CLUB LEAGUE

Men's 3 Club League will start 11/17. We will start on #1. The rules and sign up sheets will be posted on the golf board. Gary Wilkerson will take payments and run the league until I return.

## SEND GREETING WITH THE CHRISTMAS CARD TREE

The Christmas Card Tree, sponsored by The Welcome Wagon, is once again in the Cantina Clubhouse lobby. All it takes is one card to extend Christmas greetings to all of our friends in the Village at the same time, make a donation to the Welcome Wagon. We invite everyone to participate by giving your card and donations to any of our members listed below and your signed card will be hung on the tree for all to read and enjoy.

This Christmas Card Tree is the ONLY Fundraising project of the Welcome Wagon Committee. Your donation makes it possible for us to create welcome baskets for our new residents. Besides the baskets and goodies, we take pictures of the newcomers to display in both clubhouses. Your donations are greatly appreciated.

We wish everyone a very Merry Christmas.

## PARK CRUISE FOR JANUARY 2021

For the health and safety of our friends and neighbors we have decided to cancel the Park Cruise in January 2021. This decision was made after several discussions between Teri and myself. She agreed it was best for everyone.

## **CHRISTMAS ANGEL TREE**

2020 is the year many of us want to forget! Even with all the challenges this year has brought us, we in Arcadia Village are very blessed. Sadly, Desoto County has many families who aren't as lucky as we are. But we can help them!

Once again, we have the privilege of participating in the "Salvation Army Angel Tree" program, and are asking for your support. We will be doing things a little differently this year. The first week of November, an Angel tree will be placed in each clubhouse, with two options for those who want to take part. Both trees will be decorated with Angel Tags and also donation envelopes.

To participate, simply choose an angel, remove the tag, or take an envelope. Provide as many of the child's wants or needs as you would like. Return your Salvation Army donation in the envelope, or your un-wrapped gifts along with the tag to 809 El Adobe by December 4th.

This program brings joy to us as well as the children! The support and generosity of Arcadia Village neighbors has always been overwhelming! Thank you to everyone for putting smiles on the faces of those angels Christmas morning!

## **HAVE YOU MADE FINAL ARRANGEMENTS**

What would happen to you in the event of your death? Have you made your wishes known to your family? Have you made your final arrangements to help ease the pain of your family having to?

If you haven't and would like information on your options, now is the time. Two presentations have been scheduled for November to discuss your options in the event of your death. You are welcome to attend both. These presentations are free of charge to you.

The first presentation will be Wednesday, November 18th at 2:00 pm in the Cantina Clubhouse presented by the Neptune Society.

The second presentation will be Thursday, November 19th at 2:00 pm in the Cantina Clubhouse presented by Baldwin Brothers Funeral & Cremation Society.

Both presentations should be very informative.

Please contact Gary Larson at 863-444-3025 so he can get a head count of the number of people who will be attending.

### **Wearing a mask is required.**

## ARCADIA VILLAGE CHORUS

After careful consideration and much deliberation, I have decided we will not have a Christmas program this year due to Covid-19, but hope to resume this yearly activity next Christmas, 2021.

With that being said I would like to share with you a Thank You card from Camp Judson that was sent to me for making a donation from the chorus on behalf of Rowena Cowles who was part of our chorus until she passed this year. This was one of Rowena's favorite places. It's a place for those who are fearful, hopeless and lonely but get to know God who cast out all fear and grants eternal hope and will never leave them. It's a great place to be if you need it.

Sylvia Ashley, 437 Barcelona, 941-661-4410

Dear friends,

October 2020

Thank you for your \$50 gift to Camp Judson in August in memory of Rowena Cowles. Your generous donation helps defray operating expenses not covered by registration fees. We're grateful you would choose to honor Rowena with a memorial to one of her favorite places. Camp Judson aims to be a refuge from the broken patterns of this world and point to Jesus who is our Refuge. People are fearful and hopeless and lonely. At camp, they get to know God who casts out all fear, grants them eternal hope and will never leave them. Rowena understood the value of Christian camping and faithfully invested her time, talent and treasure in this powerful ministry. Thank you again for celebrating her life and legacy so generously.

Sincerely,  
Tracy and Danis Kookan

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,  
The Florida Anchor & Barrier Team*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!

## **MESSAGE FROM CINDY BROOKS**

I am responsible for booking activities for management. (w/o compensation). Even with people returning, the virus doesn't care. Due to the pandemic and changes in the village residents, I deleted many events. D/T CDC restriction. No dances, no shows, no craft bazaar or movie night ...indoors.until the CDC lifts some regulations. It is not the Freeman's fault. This does not alter the beautiful place we live in! Use your inventive creative minds and find activities you can do OUTSIDE. Meet some of our new residents and noodle ideas with limited group size. Mask wearing. You can do it!!!! Oh, btw please be KIND to other residents. We have all been thru a lot and it's not quite over.

Please email or message me to book an event or have an outside event placed on the calendar.
