FROM CDC UPDATED MARCH 2021

COVID-19 – IF YOU'VE BEEN FULLY VACCINATED

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/vaccine-benefits.html>

COVID-19 vaccines are mostly effective at protecting you from getting sick. Based on what we know about COVID-19 vaccines, people who have been fully vaccinated can start to do SOME things that they had stopped doing because of the pandemic.

We're all still learning how vaccines will affect the spread of COVID-19. After you've been fully vaccinated against COVID-19, you should **keep taking precautions** in **public places** - like wearing a mask, staying 6 feet apart from others, and avoiding crowds and poorly ventilated spaces until more is known about just how effective vaccines are.

Con't page 4

- You can gather indoors with unvaccinated people from one other household (for example, visiting with relatives who all live together) without masks, unless any of those people or anyone they live with has an [increased risk for severe illness from COVID-19](#).
- If you've been around someone who has COVID-19, you do not need to stay away from others or get tested unless you have symptoms.
- However, if you live in a group setting and are around someone who has COVID-19, you should still stay away from others for 14 days and get tested, even if you don't have symptoms.
- When in doubt, please conduct yourselves in the safest manner for yourself and your friends, family, neighbors, etc.
- Please continue to wear a mask when visiting the office – always assume that not everyone has been vaccinated yet.

HOA MEETING

Don't forget the monthly Board of Directors Meeting

**HOA Board of Directors Meeting

at the Cantina Clubhouse**

All are invited and welcome. Your concerns should be brought in writing to be presented at the homeowner comment section of the meeting.

HOA NEWS

The HOA wants to Thank You all for getting your representation forms in; but there are still more needed. If you did not get your form, you can get one from the HOA bulletin board at Cantina and return it there also.

A copy of the Amendments to the Bylaws are posted on the HOA bulletin board at the Cantina or if you would like a copy e-mailed to you please e-mail Beth at ejpgolfer@gmail.com.

The minutes of our last meeting are posted on the HOA bulletin board at Cantina.

Lori talked about the concerns that the EMT have in getting to the right address, as some of the house numbers are covered in bushes and others have no name or number plates. Also, be sure to check on your neighbors. (Read other article by Lori).

Gary Lawson reported that Management has purchased 2 defibrillators, one at each clubhouse. We will set up something at an upcoming meeting for a demonstration of use. Also, if you use something out of the first aid kit please make a note so they can be replenished.

I want to thank Brian Seavey for charging, setting up, and sanitizing our microphone system, throughout the meeting. He has volunteered to do this for the HOA Meetings.

We invite all residence to come to our meetings to get the facts and to address any of your concerns in our "comment from the floor section". Also if you have a specific question please bring it in writing to the chair before the meeting.

Our next meeting is Tuesday, April 6, 2021 at Cantina at 7:00 p.m.. Please wear a mask and social distance.

ARCADIA VILLAGE SECURITY AND NEIGHBORHOOD WATCH MONTHLY ARTICLE

April's Topics: Walking/Running and Riding Bicycles and Golf Carts in Arcadia Village

Easter is Sunday April 4th

Walking/Running:

While walking/running on the streets within Arcadia Village, every walker should be on the left side of the road facing traffic. This enables the walker/runner to see the traffic that is coming and gives you time to get out of the way. If you walk with the traffic, you cannot see the vehicle coming up behind you, and with electric cars and golf carts that are extremely quiet, you do not have any reaction time to get out of the way. Stay to the left facing the traffic, and if you are walking/running in poor visibility or at night, please wear a reflective or high visibility clothing or vest and have a flashlight.

Bicycling:

While bicycling on the streets within Arcadia Village, every cyclist should be riding on the right side of the road with the traffic, stay to the side of the road, use hand signals for making turns and stopping. Please stop at all stop signs and obey all traffic laws, as you are considered a vehicle. Make sure your bicycle has reflectors both front (white) and back (red), it is a good idea to have a rear viewing mirror also. If you are going to ride at night or in poor visibility, please make sure your bicycle is equipped with a white light in front and a red light in the rear, (strobe lights work well). Remember! be as visible as possible to all the other vehicles and walkers on the street, and be courteous to all the people walking in the village.

Golf Carts:

The use of golf carts in Arcadia Village are widely used by our residents. Remember golf carts are a vehicle and must obey all traffic laws. If you use a golf cart at night, it must have working lights on, white in the front and red in the back. If it doesn't have lights for night then don't drive it - (WALK). All golf carts must either use hand sig-

nals or electric turn/stop signals while operating in the village.

Reminder: Easter is Sunday, April 4th 2021

ENTERTAINMENT

Below is the planned entertainment schedule for next season. We are hoping this COVID-19 virus will be done and over with so we can get back to enjoying some fun shows and good music.

Thank you for your cooperation and understanding.

Here's What's Coming In 2021/2022

December 9th (Thursday) Rich Wilson Show

January 13th (Thursday) Jimmy Travis Show

February 17th (Thursday) – Re-Creation Show

TBA (Wednesday) - Arcadia Community Concert Band

March 10th (Thursday) – Kenny Evans Show

Rich Wilson Show – Audiences can expect a wide variety of music...great fun and laughter with Rich Wilson. His relaxed stage presence allows his audience to "come inside" the musical world of Rich Wilson as he takes them back to the glory days of yesteryear with Oldies from the 50's through the 60's!

Jimmy Travis Show – Attempting to describe a Jimmy Travis show or presentation is a lot like trying to herd cats! It's not impossible, but definitely takes some doing. He's funny, creative, spontaneous, energetic, and since he frequently interacts with the audience, no two shows are ever the same! Simply put, Jimmy Travis is unique!

Re-Creation Show – The variety entertainment program features a dynamic vocal blend, energetic young performers, elaborate costuming, professional staging and choreography...a full-size stage show. Themes and performers change each year, but the magic remains constant.

Arcadia Community Concert Band – Our local Arcadia concert band which includes many of our Arcadia Village residents. Their music includes many different themes and is always easy on the ears!

Kenny Evans Show - Music has always been a part of Kenny's life. His grandmother Irene was a bluegrass musician and singer, and as a child he sang in a family quartet with his father, brother, and younger sister. The Evans Family Quartet toured the southeast doing concerts at churches, festivals, and theatres and also made guest appearances with Archie Campbell at the live Hee-Haw theatre in Pigeon Forge, TN.

AN IMPORTANT NOTE FROM THE EDITOR—PLEASE READ

Hi Y'all. Just wanted to let you know that May 2021 will be my last newsletter. I've been the editor of the newsletter for the past 4 years and although I've enjoyed it, it's time for me to move on.

With that being said, I'm looking for someone to take over. I will work with you until you think you've got it. We have a lot of newbies in the Village and I'm sure someone is looking for something fun to do or maybe one of our established residents.

I have also been producing the phone directory every year. I have one person interested in trying it and I have no problem dividing the two positions. If there's anyone else who thinks they may want to do it, please let me know

Let me know if your interested in either job. The May edition will be the last one for the season and it picks back up in October. Plenty of time for training since I'm a full time resident.

I want to thank everyone who has been there for me in the past. I have appreciated all your kind words and support.

Ken Yount has also turned in his resignation as the distributor. If that is something you think you might like to do, give me a call.

CALLING ANYONE WHO PLAYS OR USED TO PLAY A BAND INSTRUMENT!!

The Arcadia Community Concert Band was unable to practice and perform this season due to Covid. However, we are hopeful that next season we can all get back to what we love.

The Arcadia Community Concert Band is a volunteer organization made up of local musicians playing a wide variety of music for your enjoyment. We perform at local RV parks in February and March.

We are always looking for new members. If you play a band instrument (brass, woodwind, or percussion) or if you played in your high school or college band, we invite you to join us. Many of us hadn't picked up an instrument in 40 years but it does come back!

We practice in the Cantina Clubhouse on Mondays from 3:30 – 5:30pm (November through Mid March). Contact me if you have questions and/or would like to join us in our music endeavor.

Looking forward to hearing from you,

Pat Homan, 649 EL Presidente, 567-201-8292

Cyndy's Sip and Paint Class

"Light House" Glass Bottle

Wednesday, April 21st

2 - 4pm, Cantina – Kitchen area

It will be an afternoon of entertainment, fun, painting and laughing with friends. You do NOT need painting experience or to be creative to join in the fun to paint in this class. We will instruct you step by step to create your own masterpiece. We supply everything you need to create your own "Light House Bottle" that lights up. We have a variety of Glass bottles, all shapes and sizes! If you have one of your own you may bring it to paint on. We will also include the cork with lights and the seashell.

Because of COVID-19 we will be practicing social distancing, with 2 people per table. Masks are required when entering the building and walking around, each person will have their own supplies consisting of an easel, brushes, paint pallet and aprons. All our supplies are cleaned and sanitized after every event. There will be no group photos taken at the end of the class.

The cost of each seat will be \$20. That will be collected at the door on the day of the event. Acrylic paint (Glass paint) is quick drying, so you can take your Bottle home at the end of the class. Dave and I will do all the setup, cleaning, and tear down. All you will need to do is sign up, show up, and bring your favorite beverage.

Please register in advance by signing the sheet at the Cantina or Siesta Bulletin board or you can send me a text at 616-520-1456. Registering in advance insures we will have enough set ups for each painter when you arrive, however we will carry a few extras for those last-minute change of plans or guests that were not able to register ahead of time. Arrive a few minutes early so we can start on time. and you can get your seats by your friends.

Cyndy & Dave Lange, 80 Siesta, 616-520-1456

FROM A DEAR FRIEND OF MARILYN MYERS

Marilynn Myers, 71, died peacefully in her sleep on Feb. 26, 2021 after a year-long battle with a variety of health issues related to chronic rheumatoid arthritis. Marilyn was born in Madison and spent most of her life in the city she dearly loved. For the past 16 years, she also enjoyed and contributed to a community of friends in Arcadia, Fla. A passion for traveling led her to pursue a career as a travel agent and later as a woman-owned business leader. Marilyn developed strong and lasting friendships with many of her clients, whether they were part of the IceCube Project team or simply personal clients she grew to know as her clientele expanded.

Throughout her life Marilyn was engaged with the city and its civic and philanthropic activities, principally volunteering her time at the Middleton Outreach Ministry (MOM). In her free time, she could often be found laughing and telling stories aboard her boat on the lake with friends, neighbors and family. Marilyn's friends spanned the globe. Her smile and outstretched arms welcomed many. She had the gift of making those around her the center of attention, whether they were the friend of 30 years or the barista at a favored coffee shop.

She was a dear friend and will be truly missed.

Joy Gottschalk

LET THEM KNOW IF YOU'RE INTERESTED

There has been some interest from residents about making final arrangement in advance before one passes on.

Two companies that can help you are The Neptune Society at 239-241-1161, ask for Donna Vaughan. The other is Baldwin Brothers at 941-350-8543, ask for Daniel Gallichio. If you have any questions feel free to contact:

ARE YOU LEAVING IN APRIL TO HEAD BACK NORTH????

If you are heading back up north in April please let me know either by email or a phone call. I'm working with the printers to get the new phone directories printed so you can have them before you leave.

MEDICAL SUPPLIES

All medical supplies and supplies for visiting children have been moved from the Cantina Clubhouse to the Siesta Clubhouse behind the dance floor in the card room. Hope this does not confuse anyone on where they are.

GOLF COURSE NEWS

As the season begins to wind down, It appears that Strolling for the Cure scramble was a huge success. We saw many golfers participate and have a little fun at the same time. The golf course is in great shape as we begin to water more frequently during the day. The cycle run time is approximately 4 minutes, so please be patient.

As more and more people get vaccinated, I would like to return to doubling up on golf carts while playing. If you don't feel comfortable with this and haven't had the vaccine, you can continue to ride single but doubling up, certainly helps the course.

The Golf course rules have been updated and are posted in both clubhouses and please note that you must use a golf tee on all tee boxes. **DO NOT HIT OFF THE GROUND !!** Repair your divots and ball marks, and **NO** practice swings allowed on the Tee boxes.

We have a few severely Handicap stickers issued but you must still apply the 90* rule on the course. We also ask that you keep your golf cart at least 10ft from the green.

Thanks for your support and understanding.

Are Your Tie Downs Tight?

- **Hurricane Anchors • Tie Downs**
- **Leveling • Blocking • Carport Tie Downs**
- **Stabilizing Devices • Roof-Over Strapping**

- *Replace Rusted Anchors • Add Anchors*
- *Longitudinal Stabilizing • Retro-fit to Current State Standards*

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
