## MEMBERSHIP

HOA 2022 Dues of \$5.00 are due now. If you are new to the Village or not a current member and want to become one, there is a \$5.00 Registration fee in addition to the \$5.00 yearly dues, The registration is a one time fee.

We would love to see you be part of our meetings. You can pay at that meeting if you wish to become a member of the HOA or contact any member of the board.

## Rental Negotiations 2023

In 2021 we negotiated for one year only due to the high inflation rate. Since the team made that decision, we will have to negotiate again this year. Hopefully the inflation rate will drop and we can settle a three-year rental lot agreement. Please fill out the form below . This gives us the opportunity to negotiate on your behalf. Please return the form below to any HOA officer so that we may negotiate for you!!

If you are interested in becoming a committee member, please contact me as well.

Summer Residents, please keep your eyes open and remember if you see something, say something. Joe Wentworth and Joe Enderby will be happy to answer questions about security and safety. You can find them in your Directory, on Facebook Messenger, or ask the office.

## **RESIDENTS HEADING OUT OF TOWN:**

- ⇒ Remember: YELLOW Guest passes for visitors - please return them to the office.
- ⇒ Remember: If you are vacating your RV Storage Spot for the summer, **make sure** you're scheduled with a person to keep it clean & trim. Make sure your spot **is clearly marked**, I have been known to give away a spot in error that is vacant and not marked
- ⇒ Remember: If you are leaving to bring in anything outside the home that can fly away or fly into and damage your home or a home near by.
- ⇒ Remember: Notify the office in advance between 8 am – 3 pm Monday thru Friday if you want your **water turned off**, don't forget to turn off your water heater and set your AC & Humidistat.
- ⇒ Remember to have someone periodically check your home while you're gone.
- ⇒ Remember: **Update office** with Phone Number & Address so you can be reached if there is an immediate need for us to get in touch with you.

Reminder: **Tree trimming** is around October. Let the office know if you want your tree trimmed (cost of \$25.) before you leave for the summer.

## **ALL RESIDENTS INFORMATION:**

Please contact the office for any property modifications, (pavers, concrete, enclosures, posts, or any other major changes). Office needs to review items of importance about property, sewer/water lines and other before any work begins.

Please remember **15 mph !!!** for the safety of all residents, guests, contractors, and employees. Thank you.

**Parking is in your drive way** or one of the Club house parking spaces.

Not on the street and Not on empty lots more than 4 hours!

## Golf Course News:

As the rainy season approaches, please pay attention to the signage at the beginning of golf entrances, Hole 1 & 10. I will also try to keep everyone up to date with closures etc. on our Facebook page. All the leagues for the season have concluded so we will be doing more maintenance on the course.

I want to remind everyone that it's time to double up in golf carts again. The CDC has relaxed its Covid guidelines and doubling up will help with the health of the fairways. Please do what you can to help with this. Keep in mind, this is a golf course is for golfers who are playing the game. You cannot just ride on the fairways for pleasure. If you are walking around the lake, especially on holes 10,11, and 16, please pay attention to the golfers as we don't want anyone getting struck by an errant ball.

The Golf course rules are posted in both clubhouses and please note that you must use a golf tee on all tee boxes. **DO NOT HIT OFF THE GROUND !!**

Hope everyone has a great summer and the entire Golf Commission wants to thank everyone for a great season as we look forward to the next winter golf season.

Regards,

Dave Porusta  
President, AVCC Golf Commission

## A Courtesy Reminder

We are fortunate to have two clubhouses, two pools and the 19<sup>th</sup> hole to use to host social events free of charge. As resident hosting an event at any one of these locations, it is the host's responsibility to make sure the facility as you found it. Tables, chairs and any table toppers returned to their original location, clean tables, counters, remove your event trash.

- ◇ When using the kitchen or the barbeque grills please clean them back to the condition you found them. There is a reminder list in the kitchens.
- ◇ During our rental research and comparing other communities like ours we found a number of communities charge their residents to use these facilities. Arcadia Village will continue to keep this a free amenity and your cooperation will help that.
- ◇ When a resident or a resident guest are enjoying one of the two pools and use the restrooms, please remember to dry off. This is for your safety as well as others coming in after. Excess water on the floors could be slippery when wet. As needed use a towel to wipe up an abundance of excess water to protect yourself or other.

Help keep the pool decks looking nice, return your table, chairs and loungers to where you found them.

## All residents:

There are two barbeques on the Cantina Pool deck. Enjoy a cookout with your friends and family. These are for all residents to use. It is your responsibility to clean them after use.

Please enjoy!!!!!!

HOA

## **EMERGENCY MEDICAL INFORMATION**

Dear fellow Arcadia Village residents,  
It has been brought to my attention that many of us in here are not prepared in case of an emergency situation. Therefore, I have gotten Medical Information cards from DeSoto County Sheriff's Office for each resident to fill out in advance.

These cards list basic information: medications, allergies, etc. should be put on your refrigerator so medical personnel can easily find this important life-saving information.

If you're interested in receiving these free cards please call (or text) me at:

(863)-444-0752

Susie Mullins

## **Additional safety information from the Editor:**

Anyone with a valid Florida driver's license or identification card can register two emergency contacts by visiting the Florida Department of Highway and safety and Motor Vehicle website. This statewide emergency contact information (ECI) Database allows law enforcement to contact your love ones in the event of an emergency.

## VOLUNTEERS OF THE MONTH

One of our local residents has nominated the 2 people for our Volunteers of the month.

1. Gary Larson as leader of our seven-member entertainment committee donated hundreds of hours in unseen efforts. Covid fears have caused last minute cancellation of planned events and reduced attendance; therefore, reducing revenue causing Gary to attempt to balance the entertainment budget. The next years entertainers have been hired and our normal \$10.00 donation for these acts is far less than the usual cost of this quality of entertainment. As a former volunteer with our local first responders, Gary has suggested frequent safety drive by in our village by police. He and others in Arcadia Village worked with Ron to put medicine chests and defibrillators in our clubhouses. Gary taught some residents proper use of this equipment. The recent health fair was a response to Gary's efforts and organizing abilities. With Sandy by his side you can meet Gary scooping ice cream for the Sunday Sundae treats. They also provide the event notification signs at both clubhouses.

2. Jim Gallagher for countless years runs Men's 6:00 AM Thursday morning coffee hour. This has opened the eyes of many early bird friends. During many past Christmases' Jim not only provided decorations for Siesta Clubhouse but put them up and took them down. Jim's latest contribution with Vicky by his side is to provide monthly Carry-In dinners while Randy and Sheila Cleroux keep cool up north during the hot summer months.

The editors choice for volunteer of the month should have been acknowledged long ago. Not every volunteer is made out of the same mold. This person always has this park first in her heart, she may wears her emotions on her shirt sleeve, but she would like to make the village a better place for all of us to enjoy. She does many things behind the scenes and expects nothing is return. She sees something like a broken baby Jesus laying in the nativity scene and without a thought it was put back together by her steady hand, or if someone needs a errand, a ride to an appointment and just enjoys helping people in need. She is there to help others, greet all the new residents as part of the welcome committee, she schedules and books events for the clubhouses, keeps the .org website calendar updated daily, monitors the FB page which is not a very popular job, (but someone has to do it), organizes the annual Halloween party/dance, makes improvements and keeps things maintained in our fitness rooms, and of course movie night for all of us to enjoy. Thank you Cindy Brooks for your continued dedication.

### **Help Wanted** **Lead Hand Supervisor**

#### **Duties to include:**

- Supervision of volunteers for decorating the Cantina and Siesta Clubhouses for Christmas.
- Delegation of responsibilities to aforementioned volunteers.
- Preparation and distribution of decorations.
- Available Monday after Thanksgiving and New Years for 2 hours for setup and takedown.

#### **Remuneration:**

- The undying gratitude of the Arcadia Village residents and management.
- A sense of accomplishment.

Seriously now that you have finished reading this please consider volunteering!  
Lori Milliman will be collecting resumes for this demanding position.

Thank you from Terry Harrison who has been the Lead Hand Supervisor for many years. He hopes that someone will step up to the plate and take this position over.

### THANK YOU SO MUCH

I'd like to thank everyone for all their help over the past months. I am not going to name anyone because I would be afraid that someone would be missed. Be assured I appreciate all the rides to the Dr's , to the store, for all the food deliveries, furniture moving, garbage pickup, home repairs, visits, phone calls and cards.

This Village is a special place to live and I don't know what I would have done with you all!!  
With much appreciation,

Peg Gardner

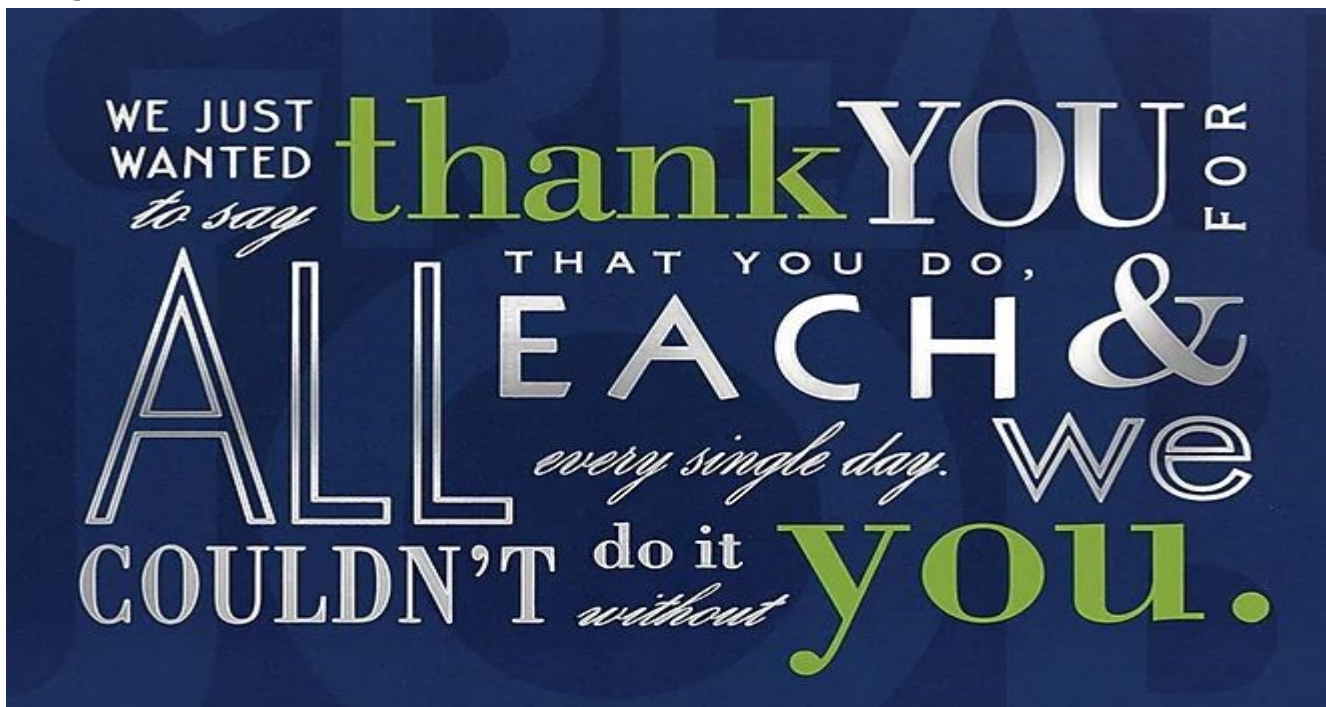

### THANK YOU CHINESE AUCTION

It is a little late, but I want to thank the Chinese Auction for the money donation for our Bunco and Euchre group. This helps to purchase supplies for each of our games. Thanks again so much.

Norma Martin

**Thank you to all volunteers in our Village.**

**I know I can not remember you all, but here is to each and everyone of you. No matter how big or how small, you are wonderful for what you do. Thank you !!!**

# FROM THE EDITOR

Another winter season has ended, and a spectacular summer is beginning.

After being in Arcadia Village for 4 years already, I still find it amazing as to the kindness, friendships, companionships, and fun I find here. This Village has never disappointed me. We see so many new faces and I hope they are finding their place here as well. Along with the new faces, we will be missing many who have made the decision to move on to new chapters in their lives. We will miss every one of them and hope their journeys bring them health, love and happiness.

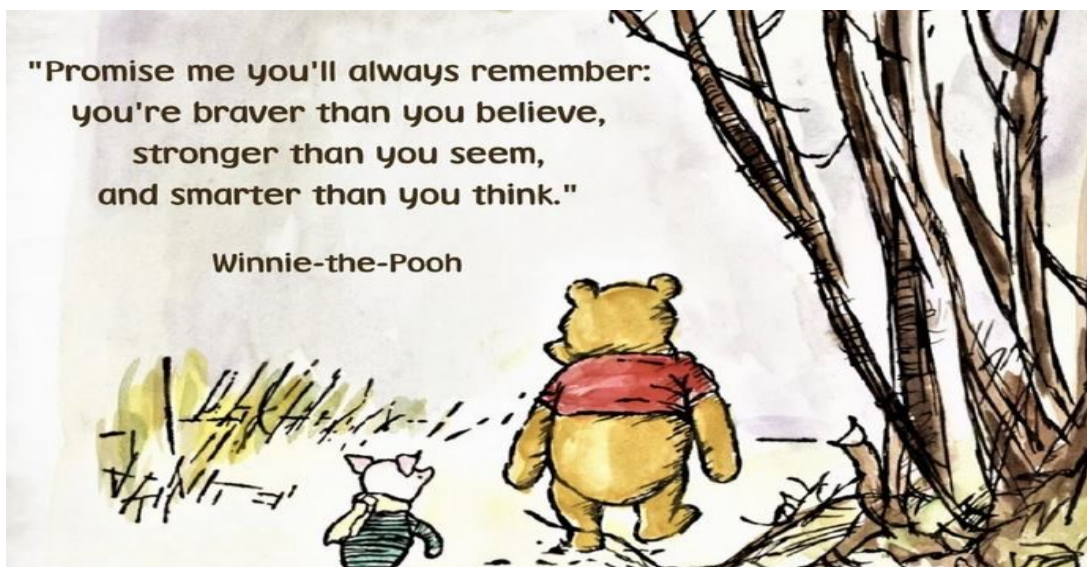

I know this issue is a little sketchy, but I found it much harder to know what I should leave, delete or add. Please take note of the many things that are happening here. If you have a question as to whether something is happening or not, look back in any old issue (and I am sure you have them). There are always peoples names listed to contact. There is always the 19th hole and the pool areas to hold a gathering. It is a great way to get to know people and just have a few laughs. Please remember that the calendar is updated constantly on the [arcadiavillage.org](http://arcadiavillage.org) site.

A topic I don't think we can ever get enough of is volunteers. We have such a great group here, and with the many new people I hope you feel at ease to join in. Trust me, volunteers will never be turned down. So, if you are a person who has a special talent, or just want to help when you can. Let me know and I will help direct you to the right person. Also if you have suggestions for new ideas we would love to hear about them.

One of the things that I have approached with Mr. Freeman about is the idea of a tree lighting ceremony at the 19th hole at Christmas. At that official lighting we would do what I call a memory tree. The HOA would ask residents to purchase an ornament that would be place on the tree in memory of, or in honor of someone close to us. There would be a special ceremony were each persons name would be acknowledge and the official lighting would take place. If anyone is interested in helping with this please send me a text to 716-490-0387 or an email at [arcadavillage18@gmail.com](mailto:arcadavillage18@gmail.com).

So, As I close this issue I wish everyone an awesome summer. Our next issue will be in October. So if you have articles, or other ideas feel free to let me know. See you soon.

Lori

## IT'S GRILLING SEASON -

I really enjoy grilled vegetables. They get cooked just to the right doneness for each person, You want char on your vegetables leave on longer, you want crunchy vegetables take off sooner, the beauty is there no right or wrong way to grill vegetables, you get to have them your way. The other part I really enjoy is that I get to choose my vegetables. Some of the best grilling vegetables are: Zucchini, Squash, Onions, Bell peppers, Mushrooms, Corn on the Cob large or cut up small and added to a skewer, Cauliflower, Broccoli, Baby Tomatoes to name a few and then there are of course others that can be put on a sheet on the grill like asparagus.

I like to cut up vegetables into a large dish and then let each person create their own skewer with what vegetables they like. To marinate or not marinate the vegetables ahead of time? I like to marinate my vegetables a few hours or night before the BBQ. Or make a special butter sauces to put on the vegetable when come off the grill.

Marinade could be: a couple tablespoons of olive oil, some balsamic or vinegar flavor of choice, chopped or smashed garlic or shallots, then some herbs and spices, Tarragon, Salt, Pepper, Thyme, Basil, Oregano, cilantro or any combo you want to put together of spices working together to make you happy. Or Grill vegetables and put some compound butter sauce on.

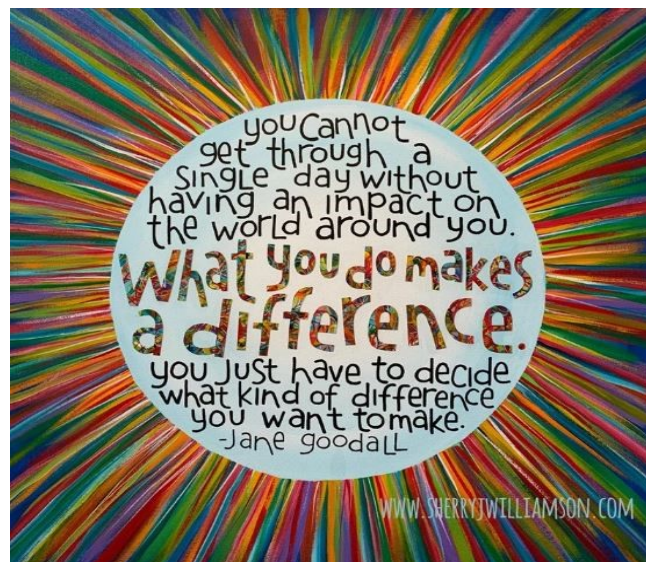

Compound Butters

Lemon Dill – Ingredients – for Bright delightful taste to food 1/2 cup butter 1 stick, at room, temperature, 1 lemon zested, plus juice of half the lemon, 1 tablespoon fresh dill chopped, pinch of kosher salt.

Spicy Buffalo – Ingredients – for the buffalo kick to vegetables 1/2 cup butter (1 stick), at room temperature, 2 ounces blue cheese, crumbled, 1 tablespoon Frank's Red Hot Sauce or other vinegar based hot sauce, 1 tablespoon chopped chives.

Cinnamon and Chipotle Chili – Ingredients – for the Mexican inspired taste 1/2 cup 1 stick, at room temperature, 1 Tsp Orange Zest, 3/4 Tsp Cinnamon, 1/4 Tsp Chipotle chili powder, 1/4 Tsp Chili powder, pinch salt

How To: Mix the ingredients in a small bowl until well combined. Lay out a large piece of plastic wrap on a clean counter. Spoon the butter mixture onto the bottom third of plastic wrap, then roll into a log. Refrigerate for one hour, or until firm.
