# ARCADIA VILLAGE OFFICE NEWS

## **WELCOME HOME RESIDENTS**

*We are excited to welcome everyone back to Arcadia Village! It has already been a very active year, with many changes, projects, and new opportunities taking place throughout our community.*

*Change can sometimes bring uncertainty, and it is natural to have*

*questions or concerns when things are done differently than they have been in the past. As we move forward, we have an opportunity to focus our energy on what we can accomplish together and on the future we want to create for Arcadia Village.*

*Every chapter of a community brings its own challenges and opportunities. What makes a community truly special, however, is the people who live here and their willingness to participate, share ideas, and work together toward positive solutions.*

*If you would like to see improvements or have ideas for the future of Arcadia Village, we encourage you to get involved with the HOA and become an active part of the conversation. Your participation, ideas, and volunteer spirit can help shape the direction of our community.*

## **COMMUNITY UPDATES**

### **Update Your Contact Information**

The office has sent out several important emails recently, but many have been returned due to outdated or incorrect email addresses. If you want to stay informed about what is happening in the village, please contact the office to verify that we have your correct information on file, including:

- Current email address
- Current phone number
- Correct seasonal mailing addresses (for both Summer and Winter)

## **LEGACY IMPROVEMENTS**

- Clubhouse Upgrades: Enhancements to the Cantina and Siesta Clubhouses are underway and should be completed by November.
- The renovations to the clubhouses will be in phases and we will see additional work next summer during

quiet season.

- Gate Upgrades: We are planning a future project to upgrade the community gates. Management is currently gathering quotes and looks forward to partnering with the HOA to get community input. We know our residents have many different ideas and perspectives, and we want to create a solution that satisfies the community.
- A Well for Lake Patty and a Well for front 9 Golf Course to help with the drought season and irrigation challenges during the dry season. These wells will be installed very soon.

## **AMENITIES & ACTIVITIES**

The pools, clubhouses, golf courses (with membership), shuffleboard, tennis, and pickleball courts are open to all residents in the village and their registered guests.

- Pool Access: You may use either the Cantina or Siesta pool—there are no restrictions. As a courtesy, we ask that if a water aerobics class is taking place, you either join in the class or utilize the alternate pool, so the participants have their hour to exercise undisturbed.
- Using the Kitchen in the Club House: Please check with the office before your event and get an updated guide on what is expected of each group that will be using the kitchen or a club house room.

## **WATER TURN-ON/OFF POLICY**

Requests to turn your water on or off must be made during standard business hours: **Monday through Friday, 8:00 AM to 3:00 PM.** Additionally, you or an authorized representative must be present inside the home at the time the water is turned on.

## **RENTING YOUR HOME**

- All renters must have an approved application on file or complete one prior to arrival.

If you plan to rent out your home for a few weeks, a few months, or for the entire season, the homeowner must contact the office in advance. Upon arriving at Arcadia Village, Renters are required to register at the office to receive their guest passes and a rental information packet.

## **SELLING YOUR HOME**

Please review the recent updates to our Rules & Regulations regarding home sales:

*Office News to Page 4*

# ARCADIA VILLAGE OFFICE NEWS

## Office News from Page 3

- **Notification:** The office must be notified if you intend to sell your home.
- **Review Process:** Any bona fide offer received on your home must be submitted to the office for review. Legacy requires this to ensure the home will not be removed from the community. If a buyer intends to remove the home, Legacy reserves three (3) days to submit a counteroffer.
- **Buyer Approval:** Any interested buyer must contact the office to complete a background and residency application. Purchasing a home in Arcadia Village requires official approval before the sale can be completed. There are no exceptions.

### TRASH REMINDER

We thank all Residents for following guidelines to keep our community clean and our collectors

safe:

- **Bagged Trash Only:** All trash must be bagged 13 Gallon Bag or Larger. This includes trash placed inside a container with a lid.
- **Weight Limits:** Please do not overfill bags. Make sure they are light enough for collectors to safely lift into the truck so we can prevent worker injuries.
- **Bulk Items:** Large items, old flooring, appliances, and electronics cannot be placed out for regular trash pickup. You or your hired contractors are responsible for hauling these items directly to the DeSoto landfill.
- **Boxes:** All cardboard boxes must be broken flat and tied securely into a bundle.
- **Schedules:** You can find the Holiday Trash Pickup Schedule posted on the Post Office bulletin boards and printed in each monthly newsletter.

## FROM THE EDITOR

### HELLO VILLAGERS

#### A New Way to Stay Connected

As the new season begins, we're excited to welcome you home and share an update: our community newsletter will now be available **online only**. This is due to the cost to print and advertising money, so we chose to go online and save the money to pay for the directories.

Going digital allows us to share news, events, updates, and important information with you more efficiently throughout the season. We look forward to keeping you connected and informed wherever you are.

If you are having issues with the online version, please contact me through email at: [arcadiavillage18@gmail.com](mailto:arcadiavillage18@gmail.com) or 612-219-8644.

**Welcome home, residents! We're glad you're here, and looking forward to a great 2026 / 2027 season!**

## Comfort Quilts

A group of quilting ladies in our Village are always busy giving to others. The comfort quilt program provides a quilt to those who are very ill and are living in our community.

If you know of someone who can be blessed with one of these comfort quilts, please let Carol Todd or Jeanne Ross know so that the group can share their love of quilting to others.

Thank you,

## From the Library

Library donations, are absolutely welcome. However, we cannot accomodate massive donations of many boxes at once.

With our expanded book store downtown (Dragons Den) they offer you a new option that may be more beneficial to you. You can take your books to them and build a credit for future shopping of new books to enjoy. The can't give a big credit for each book, but it could build up to purchase a new book to read. Something to consider.

## VOLUNTEERS NEEDED

### Volunteers Make Our Community Thrive

Our community events and activities are made possible by neighbors helping neighbors. Volunteering usually takes only a small amount of time, yet it makes a big difference for everyone - and many volunteers find it rewarding and enjoyable as well.

The dances, entertainment nights, golf leagues, concerts, and many other activities we all enjoy are entirely organized and supported by volunteers within our community. Their time and dedication help keep these events running smoothly and ensure there is something for everyone to enjoy.

At this time, we are looking for volunteers to help with the following areas:

- » **HOA President (Contact a HOA member)**
- » **HOA Treasurer (Contact a HOA Member)**
- » **Friday Afternoon Dominos (Contact Kathy)**
- » **Scrolling Sign at Siesta (Contact Kathy)**

Thank you for helping keep our community active, welcoming, and fun for all.

Classes will be held every **Tuesday from 10:30 to 11:30am** at the Cantina Clubhouse **starting November 17th**. The sessions are open to everyone. The instructions will be on a beginner level and the dances are not necessarily the ones you would do at a club. However, we do learn (refresh) dances like Electric Slide, Cupid Shuffle and the Wobble. These you will definitely hear played at the Arcadia dances.

Join your fellow Arcadia residents for a fun hour of music, laughter and friendship. Line dancing has also been proven to help with memory and is great low impact exercise.

*Never line danced before...No Problem*

*Two left feet... No Problem*

*No partner...No Problem*

## Managing Hearing Loss Can Reduce the Risk *of Dementia*

Studies have shown that untreated hearing loss is associated with an increased risk of dementia. Hearing loss makes it difficult for the brain to receive and retain spoken information. When this occurs, it can leave you feeling fatigued, forgetful, and more likely to withdraw from social situations.

### What the Research Says

1

The risk of dementia could be reduced by **treating pre-existing conditions**, such as hearing loss

2

Individuals wait **an average of 10 years** before seeking treatment for hearing loss

3

Older adults **who wear hearing aids** can likely **reduce their risk of dementia** in half over time

To reduce the chances of cognitive decline and dementia, it is important that individuals with hearing loss seek help immediately. Our team can diagnose hearing loss and prescribe hearing aids as a management option.

### Facts About Hearing

1

Over time, being around **too much loud** noise can make you lose your hearing

2
